# Happy New Year

From Dr. Vanessa:

As we come to the close of 2023, I wanted to reflect on the strength of character and compassion each of you jointly gave in serving our members and families throughout our residential and community supports. You gave voice to those we serve and advocated to harness greater and more meaningful experiences and, because of this, lives were enriched beyond words.

You are the forefront of our delivery of care in supporting others or on the forefront of maintaining systems and operations of the organization. We could not be whole without you and the intricate roles that you represent.

Now, as we turn the pages to explore new opportunities and insights, we are grateful for the strengths, successes and challenges we faced together. For last year's words belong to last year's language and next year's words await our voice on the journey ahead. Thank you for taking the journey ahead with me!

Happy New Year!

### MERRY CHRISTMAS!

We wrapped up the holiday season this year with festivities for everyone! The Board of Directors held the annual Christmas Party and Ugly Sweater Contest, we had a staff luncheon and ornament exchange, and we had a Thanks-mas party for our members and their families! Thanks to all who joined us for these celebrations and making the holidays special for everyone.
