Dustin has been an intergral part of the Carobell family for 30 YEARS! Learn more about Dustin on Page 1.

MEMBER SPOTLIGHT

Dustin

Currently residing at Sandridge III, Dustin has been an integral part of the Carobell family for 30 years! His mom, Terri stated that she knew Carobell was great for Dustin, but that didn't stop her from crying every time that she had to return home after a visit. Dustin has that effect on many people! He has made so many friends over the years with staff members who still remain in contact with him and come back to visit! Dustin loves to laugh! He has a keen sense of humor, often laughing at jokes and sarcasm when people are not even aware that he was listening! He loves watching sports on TV, especially football, always rooting for his Dallas Cowboys! We are not sure if Dustin is truly committed to the team or if he is just loyal to the cheerleaders. He also loves NASCAR and enjoys frequent visits with his stepdad, Keith! During the past few weeks, you may have seen him doing laps up and down Cinnamon Dr. as he prepared to run in a local 5K race on October 28th with his friend, Richard Walker.
