STAFF SHOUTOUT: STEPHANIE MAHONE CUMMINGS

Stephanie's dedication, commitment, and consistent high-quality work continue to make a significant impact on Carobell and Queen's Pond II. Her commitment to our goals, and her personal goal, for growth, have contributed to quality services provided to the members and set a high standard for others to follow. Her ability to work seamlessly with others contributes to a positive team dynamic; her flexibility and consistency provide reliability that shows she can be counted on in any situation; along with providing opportunities for others to learn to achieve success and be provided with the tools needed to be proficient with their job through her desire to quality training. We are grateful for Stephanie!

MEMBER SPOTLIGHT ALEXIS HENRY

Alexis moved into Carobell in 2020. She is your reliable friend who can inform you of what emergency vehicles/or animal you heard solely based on the sound made; she is your reliable friend who will never stand you up on a coffee date; and your adventurous friend who enjoys any off campus outing—just name the place and she will be there! You should check out her library/book collection and partake in book reading with her—she can help you identify any Disney character! She enjoys utilizing her tablet throughout the day and sitting on the swing on a nice sunny day. Alexis continues to form great relationships with her housemates, and staff—enjoying days filled with activities or being a helpful hand if anyone is in need.

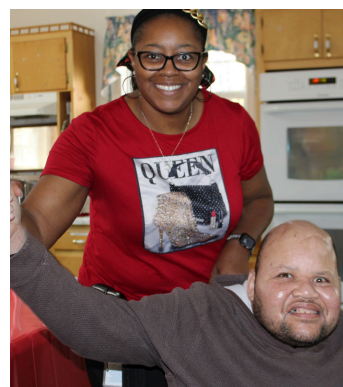

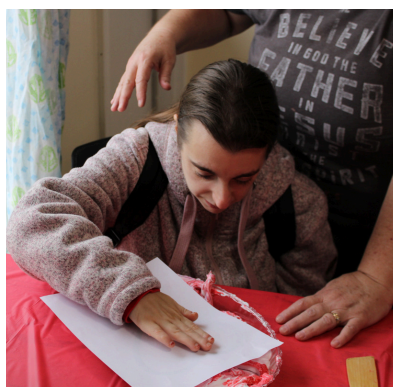

JANUARY

In January, our members dove into the versatility of oats, learning about their benefits and uses, while also perfecting the art of making a warm and comforting chicken noodle soup from scratch!

FEBRUARY

In February, Carobell members celebrated Valentine's Day with arts and crafts, followed by a chili cook-off where Sandridge 2 took first place with their winning recipe!

CAROBELL'S CULTURAL CORNER

Ensuring cultural competency is an integral part of developing a system of care that is embedded in cultural and linguistic responsiveness.

This month, we celebrated cultural competency with a festive St. Patrick's Day bingo event, followed by a fun-filled afternoon at the park flying kites and enjoying the outdoors!
